About

The IEEE International Energy Conference (ENERGYCON) covers a broad range of electric power and energy systems topics, will continue the tradition of the past editions organized in Bahrain, Italy, Croatia, Belgium, and Cyprus. The **6th** edition of the conference will take place in one of the beautiful Mediterranean countries, Tunisia, known for its golden beaches, sunny weather and affordable luxuries, on 28th Sep. – 1st Oct., 2020.

ENERGYCON is dedicated to experts carrying out research focused on energy and power systems. It has already become one of the central events for discussion on the application of electronics, instrumentation, information and communication technology to the energy industry. ENERGYCON provides an opportunity to scientists, professional engineers and engineering students to present their work, publish their results, exchange ideas and network for future scientific and industrial collaborations.

Accepted Short and Full papers will be published in the conference proceedings if at least one author is registered and if the paper is presented at the conference (in compliance with IEEE rules). The short and full papers of the conference proceedings will be submitted to the IEEE Xplore Digital Library and appear in the Conference Proceedings Citation Index (CPCI) - an integrated index within Web of Science.

Topics

Papers are invited on all topics related to electric power and energy systems, and especially with the following focus:

- **Smart Grid Design and Security**
- **Power Electronics and Energy Conversion**
- **Renewable Energy and Storage**
- **Power Systems and Smart Grids**
- **Advanced technologies for the control, design and operation of the smart-grid**

Important Dates

Extended Abstract (2 pages), Short (4 pages), Full (6 pages) paper submission: **June 15, 2020**

Notification of acceptance: July 15, 2020

Author Registration deadline: July 31, 2020

Venue

The conference will be held in RAMADA Plaza Tunis Hotel, located in Gammarth, beachfront resort, close to Sidi Bousaid, Carthage, and 20 minutes from Tunis city center and Bardo Museum. Special prices are offered for attendees with **FREE** Airport- Hotel transfer service.
